A Couple Notes:

- We will be staying in one of the camp's "villages" which offer bunk beds in a cabin setting, campers will need to provide a pillow and sleeping bag or twin size sheet and blanket
- We are partnering with St. Matthew Lutheran Church in Eau Claire who will be bringing their 6-8 confirmands. Pastor Kazmierski from St. Matthew and Pastor Marks will be providing the confirmation portions of the instruction while the excellent staff of Camp Luther will provide the other activities.
- Cell phones and other electronic devices are not allowed during the camp program. They may be brought for use on the ride to and from camp but will be collected during the camp session. Pastor Marks will be available by phone throughout the trip for emergency purposes.
