Emmanuel News

“The integrity of the upright guides them, but the crookedness of the treacherous destroys them.” Proverbs 11:3

Everybody’s Got an Angle

One of my favorite movies is White Christmas (1954). I know it seems a little strange to be thinking about a holiday movie in June, but there’s a quote from that movie that keeps coming to mind these days. As Bob Wallace (Bing Crosby) is calling out Betty Haynes (Rosemary Clooney) for her sister’s bit of craftiness, he utters the phrase “Everybody’s got an angle.” He says this not in an aggravated or upset way, but simply as an acknowledgement that there was an angle being played and that there had been some deception in how they were brought together. He almost seems impressed.

It appears today that the same could be said. Everybody’s got an angle. We can all look at the same set of data and come away with very different conclusions based on what outcome we’d like to see happen. Regardless of where one falls politically, other people’s angles are constantly questioned while our own are all too often defended or ignored. The constant barrage of seemingly contradictory information coming at us from all different angles is often overwhelming. Where is the truth? In the midst of all that is thrown at us on a daily basis, truth is often hard to decipher.

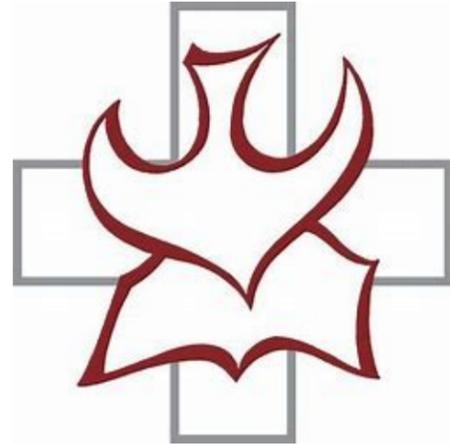

Luckily, we as followers of Christ know the Truth Himself. The One who tells us that He is the Way and the Truth and the Life. When the storm of opinions and interpretations comes our way, we have God’s truth in His Word which will not lead us astray. The writer of Proverbs tells us, “The integrity of the upright guides them, but the crookedness of the treacherous destroys them.” (Proverbs 11:3) The only way for us to have integrity is to be guided by the truth of God’s Word. Because God doesn’t play angles like we do. His truth is clear. He has no reason to bend or distort His truth to meet His needs as we do. He is the Truth.

Our fervent hope is that we will always allow our integrity to guide us in all matters. As we seek the truth in any situation, we must realize that it can only come from God and the Word that He has given to us. Despite our sinful inclinations to bend and twist the truth for our own benefit, we must allow God’s Word to guide us in all matters, lest we become the treacherous whose crookedness would destroy us.

As is the case with most movies, everything works out in the end for Crosby and Clooney and their friends. The angle that was played resulted in happiness and positive outcomes for all. That’s not always the case in real life, but we do know that, “If God is for us, who can be against us?” (Romans 8:31) We have the One who is Himself the Truth and has given the truth to us in His Word. And that’s no angle.

Blessings,

✝ Pastor Marks

### Mission of the Month—June

The Mission of the Month for June is *Camp Luther*, Three, Lakes, Wisconsin. Camp Luther was purchased by the North Wisconsin District—LCMS in 1946. Ninety-one acres, a Lodge and three cottages were purchased for just \$22,000. Many improvements were made and much growth was seen through the 1950s and 60s as additional land, more cottages and other facilities were added. The camp became a year-round ministry in the 1970s as the first full-time staff was put in place. Camp Luther saw tremendous growth in the 1970s and 80s with the addition of many new programs, retreats, and cottage rental opportunities.

Today Camp Luther annually hosts over 5500 guests. A variety of camping programs are offered for people of all ages. Fifteen cottages that dot the shore of Range Line Lake provide a unique getaway for families. Dozens of youth, family, and adult groups take advantage of this excellent facility each year.

Any gift on the mission line of your weekly envelope in June goes toward this important mission. Building up all people in Christ for service and witness in the world.

**While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease.**

Genesis 8:22
